Mr Marriott was as ever very helpful, constructive and supportive in his comments.		
Good meeting, very informative and pleasant.		
We had a very productive chat about how to get the best out of our son - it was very useful.		
Was nice to hear that both the teacher and TA had identified areas for improvement but also recognising my sons abilities and what he was ready to achieve		
Useful two way conversation, many thanks.		
Some good feedback for us to work on, thank you		
Well run and informative		
Very helpful and we are very pleased with how things are going.		
I would have preferred a more in-depth report to show where my son is in relation to targets for the various vocabulary/reading stages, and what he needs to aim towards.		
Academics and pastoral would be preferred.		
Very useful, thank you.
