*Together Everybody Achieves More*

11-6-13

Dear Parents,

In assembly this week I asked children to think about the theme of generosity. We discussed and thought about what this means and the ways we can be generous. They were very responsive and gave a number of examples of how they were generous in their actions and words. This week is also healthy week. I have reminded the children about the importance of drinking water during hot weather and using sun lotion.

## **Own clothes day for the Chernobyl Children's Lifeline Charity**

On Friday 14<sup>th</sup> June children are allowed to come in their own clothes to raise money for the Chernobyl Children's Lifeline Charity. We ask that they bring in £1. For the children in years 4, 5 or 6 I have also asked them to check whether they have an old pair of Wellington Boots (in good condition) that they would donate to the charity. If you are able to help please send the boots in a plastic bag.

## **Scooters around the school**

In recent weeks two adults have been tripped over by children on scooters around school. While not injured severely they were both shaken and needed some time to recover. Please remind your child, that if they travel to school on a scooter to be especially careful around the school grounds, as there are so many pedestrians who do not always see them in time. I have also reminded children to not use scooters in the playground or by the school entrance before or after school. Your support with this would be greatly appreciated.

## **Good News**

- St. Bridget's have been awarded the Silver Bike-It Award which recognises the schools on-going commitment to promoting cycling.
- Well done to Edith Larsen who won a writing competition. Her article was published in a local magazine called "The Lake".
- Well done to James Kelly who has just returned from competing in an International Judo competition in Holland. To qualify for the tournament he needed to be ranked in the top five in Britain.
- Well done to the Year 6 Boys Football Team who won their recent match against Christ Church Primary 17-0.

## **Additional date:**

Calday Grange Grammar School Summer Fete Saturday, 6th July

Yours sincerely,

Neil Le Feuvre
