*Together Everyone Achieves More*

**8-2-19**

Dear Parents/carers,

## **Safer Internet Use**

Earlier this week was safer internet day. In school we have supported children's understanding and learning with theatre workshops and presentations. It is a constant challenge to ensure that our children are informed so that they can act safely when using the internet. As education professionals my staff receive regular updates, but I am mindful that parents do not always receive this advice regularly. The link below is very useful and I would recommend taking 5 minutes to look over the content.

The WSBC website: <https://www.wirralsafeguarding.co.uk/online-safety-2/>

## **Staffing update – Mrs Johnson**

I am pleased to let you know that Mrs Johnson has successfully achieved a secondment post as the Interim Head Teacher at Gayton Primary School. This will mean that she will be seconded to Gayton Primary for the 2019 summer term. This is a wonderful achievement for Mrs Johnson and great recognition of her professional development. Please be assured that the school will organise cover so that school continues to run smoothly in the summer term.

## **Staffing Update – Mrs Harland**

Mrs Harland has been an integral part of our office staff for the last 13 years. She has been successful in gaining promotion and is going to work for the University of Liverpool. We will miss her, but wish her well as she takes the next step in her career.

## **Important reminders**

- Allergy awareness – please avoid sending in **nuts** or **kiwi fruit**. We have a few children in the school who are **highly allergic** to these foods.
- I continue to receive complaints from neighbours about parking. I would ask that all parents park legally and where necessary, park further away from school to ensure this.

## **Inset Days**

Friday 24<sup>th</sup> May

Yours sincerely,

*Neil Le Feuvre*
