Together Everybody Achieves More

20th May

Dear Parents,

Over the last two weeks school has been a hive of activity. Year 2 and Year 6 have completed National Tests and many of the other year groups have completed their formal Summer Assessments. The children and teachers have worked hard. I was also invited by Year 1 to open their classroom garden centre. This was great fun and has already generated a lot of excitement and learning.

Tomorrow we have the first of our three sports days and I am praying for good weather. It is threatening some rain in the morning but the forecast is constantly changing so let's hope for the best. If we do have to cancel sports day we will post a message on the website and update the answer phone message accordingly. We will also be serving some light refreshments for any spectators. The athletes, however, will be allowed just water! I look forward to seeing you there.

Chernobyl Children's Lifeline – Urgent support

As you may know we help to support the Chernobyl Children's Lifeline Charity each year. We are aiming to do the same again this year and I had planned that we would organise our support after half term, however, last Friday I was contacted by the charity because they are desperate for some extra support by the **end of this week**. They need help with the following donations for children (**aged 9-11**): **Clothing, Nightwear, Swimsuits, Coats, Waterproofs and Wellington Boots**. Please send any items in a bag into school by Friday. They will be gratefully received. The children who are supported by the Charity will be visiting school on Friday 21st June. This is always a great day and they will be joining us for sports activities in the afternoon.

St. Bridget's Music CD

Today the children have recorded their "St. Bridget's Greatest Hits" CD. It is fantastic. The children sang their hearts out! The final deadline for ordering the CD is Wednesday 22nd May. This will be the last chance for ordering. CD's cost £7.99. Please send money in an envelope with your child's name and class written on.

E-safety Update

After receiving positive feedback from parents we are holding another e-safety awareness session on **Tuesday 11th June at 6.30pm**. We are sharing the same information as the meeting held earlier in the term. We also have useful information about e-safety which can be found on our website (See link).
