Dear Parents and Carers,

No sign of slowing down!

What a couple of weeks it has been! Several year groups have enjoyed trips out of school, all the while representing St Bridget's with enthusiasm and excitement. Our Year 6 children attended the wonderful production of Julius Caesar in Royden Park, Year 5 visited Birkenhead School to make toys for DT, Year 1 visited Ashton Park to speak to the Park Ranger and our EYFS children journeyed to Greenacres Farm for a lovely experience. The PTA Social was a huge success last week and thoroughly enjoyed by all, a huge thank you to everyone who organised and supported the fundraising event. As well as events outside of school, we have welcomed Year 2 parents for lunch with the children and two visiting professors wowed our Year 5 children with some exciting science experiments. A busy time all round!

Sporting Update

Our Year 6 boys football team was narrowly edged out of a close encounter with Higher Bebington, falling to a last-minute goal. The Year 6 basketball team enjoyed success in their competition, finishing second after some impressive skills and teamwork were showcased by the children.

Attendance

As we have adjusted to our earlier opening times it is pleasing to note the increased number of children in school before the register is taken at 9:00am. The activities and tasks provided from 8:45am support and enhance the children's learning which adds up over the term, proving very beneficial in the long-run.

Reports

Teachers are writing the children's reports and they will be sent out to you on Friday 30th June. Please also note that school will be open after the children leave on Tuesday 4th July until 4:30pm for you to pop in and see their work as well as chat to the teachers. The school hall will also be open at this time for you to view the amazing Coronation Art that was created earlier this term.

Strike Action

Planned strike action has already impacted some activities and we are working hard to minimise the disruption to the children. As soon as we have finalised plans on Monday I will write to the parents of any affected year groups.
