"Love your neighbour as yourself."

Luke 10:27

Dear Parents/Carers,

At this time of year, staff and children are thinking about transition to their next class, their next teacher or their next school. It is an exciting and sometimes a slightly anxious time for children. Hopefully today your child has had a chance to meet and be introduced to their new teacher.

This term we are saying goodbye to Mr Ryan who has been unwell since January and has decided to reduce his teaching commitments. I have known Mr Ryan for over 16 years, when I was headteacher of another local school. During this time, his calm approach and dedication to the profession have been exemplary. He will continue to be available to do some supply so we will see him return at some point in the next academic year. Yesterday, we were fortunate to appoint a new teacher to St. Bridget's and Ms. Marr will be working in Year 3 from September. Below is the list of the class teachers for September.

St. Bridget's Chess Success

We recently entered the Merseyside CSC chess competition as St Georges hall after its 2-year hiatus. We took teams to compete in the U11, U10 and U9 age categories. It was an enjoyable day where all of the children represented our school values wonderfully. By the end of the competition both the U11 and U9 teams came out with the gold medals and a trophy. We were also delighted to see some past pupils win the U18 trophy. The chess grandmaster who was present commented on how impressed he was with the success that St. Bridget's continues to have in this competition.

A book to celebrate the Platinum Jubilee

Last week we received 390 books to share with all of the children in school to celebrate the Platinum Jubilee. As we have over 433 children I will ensure that every family has a copy of the book and we will send these out on Friday.

Reminder - Visiting classes to have a look at books on **Tuesday 12th July 3.30pm-4.30pm**

Polite reminders

- Please ensure that your child is respectful when walking through the church yard after school. I will be reminding the children about this in school as well.
- I would ask that you remain careful with your parking in the local area. I know it is tempting to pull up on pavements occasionally, but this does cause friction with neighbours and does cause a hazard for families and children arriving or leaving school. I have asked the local PCSO to review parking around school and provide advice to parents where needed.

Thursday 21st July - Additional holiday (1 day) for Queens Diamond Jubilee

Thank you for your ongoing support,

Neil Le Feuvre
