

# St. Bridget's Church

✦ children & families ✦

This little leaflet is coming home tonight to tell you about some of the ways that St. Bridget's Church cares for children & families. The church family has paid for two workers, Carolyn and Andrew, to develop our service to children and families in the parish. We hope what we are doing sounds good to you, and we welcome suggestions on how to do a better job.

## Sundays

Did you know...

10~11am

We meet in the Church Centre for 'Storytellers' on a Sunday morning where children (5-11) explore the Good News through stories, songs, crafts...and cake!
