Any aspects of the school you have been especially pleased with:

Caring environment for learning - Nathan was always happy to go into school.

The engagement with teachers and leadership groups has been excellent and I feel the school is well led ensuring strong development in the children

The way you have nurtured my daughter and made her the more confident child she is today. Thank you

The teachers really knowing and nurturing the individual child.

The Year 6 experience has been particularly positive. There has been clear understanding of the needs of the children in this Year.

The teachers at St Bridget's are wonderful - kind, professional, dedicated, skilled, friendly and approachable. My daughter has loved being at St Bridget's School. Her progress has been amazing - thanks to the fantastic teaching which really has been tailored to her needs.

Any aspects of the school you would like to see improved:

The level of sport - competitive with other schools could be improved - this seems to be led by competitions rather than having a regular timetable of friendly fixtures with opposition schools in the various sports - whilst I accept this requires additional time this would improve engagement, wellbeing, school spirit and levels of sport within the school. There is little homework but this has not hindered my child's development but suspect next year will come as a shock and could be a gradual recognition that the volume of homework will increase leading to a discipline learned over time.

Zero tolerance on naughty, negative behaviour.

What message would you give to new reception parents for them to get the best from their child's start to primary education at St Bridget's:

Don't panic - trust the teachers and staff.

Engage fully with the school and trust that they are delivering the best education

Trust the school they are amazing.

Get involved!

I have felt extremely privileged that my children have been able to engage with such a nurturing, caring primary school that values a holistic understanding of children - this is something that is lost when they reach secondary school. The foundations that St B's have laid are crucial for the future.

Three words which would describe your child's time so far at St Bridget's:

Enjoyable Exciting Sociable

Enjoyable, empowering, shaping

Happy, positive, meaningful

Happy, stimulated, valued

Nurturing, Fun, Understanding

Happy, confidence building, supported.
