St Bridget's C of E Primary School

Dear Parent / Carer

We currently have three Parent Governor vacancies at St Bridget's. Our aim as a school has always been to be a supportive, inclusive, caring and positive community. We warmly welcome applications from parents from different cultures, ethnicities and beliefs – indeed this very diversity is vital to our success and fundamental to our values.

Following some recent changes to the Governing Board, parents with a breadth of professional experience in the development and evaluation of curriculum, as well as parents with organisational development, programme and project management skills are encouraged to get in touch. However, more importantly, if you believe you are a good match in terms of energy, commitment and time we'd love to hear from you.

If you are interested in serving as a Parent Governor I would appreciate discussing this with you prior to you making your application. Please do contact me at: FAO Chair of Governors schooloffice@stbridgets.wirral.sch.uk.

Following our discussions and should you still wish to proceed, your application should be handed in to school for the attention of Miss Marriott, Clerk to the Governors, before 3.30pm on Monday 12th July.
