Dear Parents/Carers,

The last few weeks of the summer term have been a challenge in school. We have been tested with a number of classes closing to isolate and a number of staff isolating as a result of this. I know and appreciate the difficulties that this has had on families and households as well. My thanks to everyone who has endured times of isolation and the associated frustrations this has brought. In school we have all met these challenges and have managed to maintain teaching and learning as well as complete some of our usual end of year events such as sports days and leavers services.

## **Covid update for September**

Yesterday the government shared the next steps for schools returning in September. In summary, much of school life is expected to return to normal. Activities such as school trips, drama, music and sports can resume in line with the relaxation of restrictions across society from Step 4. [Link for updated guidance](#). There is also a change in the guidance for isolation which will prevent a whole class from closing when there is a positive case. As a school we will still look to maintain good safety measures which for most of the pandemic have been very effective such as:

- Ensure good hygiene for everyone.
- Maintain appropriate cleaning regimes.
- Keep occupied spaces well ventilated.
- Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

For September we will be adjusting our times as the need for social distancing has been reduced, but we will not entirely revert to the old timings. See below:
