

We want to thank every parent, carer and the borough's children and young people for the resilience they have shown throughout the pandemic.

If you have any problems, please do speak with your child's school in the first instance.

School staff will be happy to help and offer advice. Wirral's Attendance Service can be reached at: schoolattendance@wirral.gov.uk

#EVERYDAYCOUNTS

 **WIRRAL**

Since the beginning of the COVID-19 pandemic, children and young people's education has been disrupted. This is why now, more than ever, **#EVERYDAYCOUNTS** in school. Together we can try to make sure that every child has the opportunity to succeed and have the bright future they deserve.

#EVERYDAYCOUNTS:

Please make sure that your child attends school every day that the school is open.

Please make sure that your child arrives at school on time.

Please only take family holidays during school holiday periods.

We know that there can be unavoidable reasons why children cannot attend school, such as illness. Please let your child's school know as early as possible if your child is unable to attend school.

School staff will always contact you during the school day if your child is ill in school and needs to go home.

Make all routine or non-urgent medical appointments outside school hours if you can. We know that this is not always possible, and your child can sign out of school to attend an appointment, and then sign back in again.

Talk to school staff as soon as possible if your child is reluctant to come to school or if there are any issues affecting school attendance. If you feel your child is reluctant to come to school please do seek support from the school or Wirral Attendance Service.
