"Love your neighbour as yourself."

Luke 10:27

10-3-21

Dear Parents/Carers,

The last few days have been a cause for celebration. It has been fantastic to see all of the children return to school. Understandably, there may be some worries and trips along the way but it seems like a cause for genuine optimism that a real milestone has been reached. In assemblies this week, lead by Reverend Alex and myself, we have talked about the excitement of returning to normal and thinking about how we can still look after each other. By the end of the week there may be a few tired children and we have all discussed the need to show patience with each other when some of the initial energy and enthusiasm subsides!

Celebrating reading

Part of this term's focus to welcome children back is to reignite a love of reading in school. Last week we celebrated the World Book Day but not all of school had fully returned, so I have asked the class teachers to hold a pyjama day on either Thursday or Friday this week. Children are allowed to come into school in pyjamas (if they want) with a book that they like reading at bedtime. The teachers will tell the children which day. We will be doing something similar (but simple) over the next few weeks towards the end of each week. We will keep you informed.

School Field

As the summer approaches we intend to use the field more often and have now installed a gate and fence to improve safety. The new fence and posts do need time to set and I would ask no one climbs on these for the next few days.

SIMS Parent App Lite

The email for the SIMs App has been sent out. The App will be the way that we collect data moving forward and will mean the end to you having to complete data sheets. You will be able to update telephone numbers etc a lot more easily.

Road safety

Over the next few weeks as the country enters the different phases of returning to normal the roads will become busier than they have been for quite some time. Please take extra care when crossing roads or when near traffic around the school.

St. Bridget's Buddies over Spring Break

For four days in Spring break St. Bridget's Buddies will be running child care for any parents who may find this useful. Information for this is attached in the email.

Your sincerely,

Neil Le Feuvre
