Dear Parents and Carers,

Last Week

Well the snow only stopped us fully for one day last week. We did cancel swimming for one session as the snow looked to be settling and as soon as I made the decision, it stopped! Last week the children enjoyed World Book Day and coming to school in comfy clothes. They swapped books and went to read to each other in different classes. The excitement of the reception children visiting Year Four was fantastic to see. They all enjoyed their day. Each day the book fair has been busy after school as well and thank you for your support. Thursday saw a visiting theatre group giving KS2 advice about internet safety. The children enjoyed this and have so much knowledge about this subject but it is always good to remind them of how they need to act responsibly when online etc.

Staffing Update

At the end of this term we will say goodbye to Mrs Nickson. Mrs Nickson has been working at St. Bridget's for over twenty years. She has taught mainly in Key Stage One, lead numerous subjects and has been a regular contact for the PTA. We will also miss her teaching of the Maypole. Unfortunately, Mrs Nickson has not been well recently and will not be returning to school before Easter.

Parent Meetings – 27th – 30th March

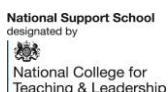

These meetings will need to be online. I realise that this is not a preference for many of us but levels of pupil and staff illness (including Covid) suggest that we need to maintain online meetings to reduce any spread of bugs and illness. Sign up information will be sent via email on March 20th.

Sporting News

In the last school's cross country race the girls team finished 1st and the boys team finished 4th.

Inter District Primary School Race Success

Well done to Daisy in Year 5 who won her Inter District Race. There was also success in the Year 6 race with Eve and Isobel coming first and second. As a result, there will be three girls from St. Bridget's representing Merseyside in the Nationals on 25th March.

Polite reminders

- Car parking and drop off – Please can I remind you that it is really helpful if we can use Ludlow Lane as a one way. Please see this [link](#).
