Dear Parents/Carers,

I am sure that after the Prime Minister's Statement about the re-opening of schools you have many questions. We are expecting to receive further information from the Department for Education and Local Authority throughout this week, which will hopefully provide clarification over the next steps.

At the moment, for us in school, there is no change. We will provide care for children who have parents working in a sector critical to the COVID 19 response who cannot be cared for at home. The message is that it is still safer to stay at home. We will also continue to set home learning, keep in contact with you and support you through these challenging times.

I will write to all families once a firm plan is in place for the return of an increased number of pupils into school. This will be when I am satisfied the plans we have will keep pupils, staff and families safe. I will be sending a survey to the parents of Reception/Year1/Year6 pupils who may want to return to school on Monday 1<sup>st</sup> June.

Yours sincerely,

*Neil Le Feuvre*
