Very informative thank you		
Well-pitched & delivered presentation		
Very informative.		
Having the booklet sent home for parents who could not attend was useful, but it was good to meet all the teachers to hear them talk through year 6.		
Great to see the plan for my daughters last year. So we can get involved in her topics etc. Very helpful. Not been able to attend some years.		
Really valuable evening and very worthwhile. I was really surprised that the turnout was so low but I can honestly say I enjoy coming to find out what is being studied this year and ways that we can help our child and just generally show some interest in their progress. Thankyou
