"Love your neighbour as yourself."

Luke 10:27

28-5-21

Dear Parents/Carers,

As always it has been another busy week in school. As the warmer weather has arrived we have started to use our field more for games and playtimes. This week, Year 6 were also able to go on their outdoor adventures to Robinwood in Wales. At the last minute this changed from a residential to a non-residential trip as the Covid rule changes in Wales were not the same as in England. I would like to thank all of the staff for being so flexible and enabling the trip to go ahead. Year 6 had a wonderful time and plenty of good memories were made with their class mates.

Sports Days – Provisional plan

Looking forward to the rest of the summer term we are planning to hold several sports days so that each year group can participate in a safe way providing the general reopening after Covid continues as anticipated. At the moment these are scheduled for July. If these do ahead we would try and maintain Covid distancing and would ask that only one parent from a household attends. After half term I will send out more information.

Staffing changes and additions

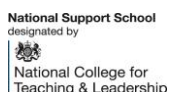

For September there are a few staffing changes. Mrs Wilson our year 6 teacher and SENCo has resigned her post to take up some new challenges. We will miss her dearly and wish her well as she leaves St. Bridget's. Mr Coughlin will take over the SENCo role in September and is already having regular transition meetings with Mrs Wilson to ensure a good handover.

Two teaching assistants Mrs Mackenzie and Mrs Mumford have also resigned their posts. Mrs Mackenzie has decided to retire and Mrs Mumford has resigned from September. I would like to thank both of them for their contributions to school both for the individual children that they have helped as well their wider class roles.

For September we have recruited a number of teachers to replace and further improve teaching and learning across the school, through reduced class size and additional support. After half term I will update you with the staffing arrangements for September.

Reading

Since our return we have encouraged the children to read even more than usual. Today the book orders from each class arrived and the children have been delighted. These were books that the children chose with the help of their class teachers. I would also like to thank the Parents Association for their donation to boost our funds for the books. During our reading assemblies it is great to see the motivation to read new books and talk about the enjoyment that reading is bringing to the children's lives.

Summer Holiday Club – booking and expression of interest

Last summer we ran a very successful holiday club in which we were full each day for four weeks. We are looking to offer this provision again. Currently, the sign up for the club is low and if this is something you are intending to use it would be helpful to register your interest after half term so that I can arrange the staffing.

PSHE Policy Feedback

Thank you to the parents who gave feedback on our updated approach to personal, social, health and economic education policy (PSHE). The responses were largely positive and appreciated the new requirements from the DFE, the importance of diversity across our curriculum and how the school intends to implement them.
