Dear Parent/Carer

Our Vice-Chair of Governors, Kevin Chappell's, initial term of office as a Parent Governor is soon to come to an end and as such he plans to stand for re-election.

This is an open election process and so this opportunity is offered to all parents to ensure we operate in line with the terms for parent representation on the Governing Board.

The skills and experience required are someone who has:

- \*a broad professional experience
- \*a strategic mindset
- \*organisational development and HR
- \*financial management
- \*programme and project management

If you wish to stand, believe you have a skill set that is a good match to the requirements, and are interested in serving as a Parent Governor I would be happy to discuss this with you prior to you offering your application.

If you are interested but your skills and experience do not fit with what is required at this time, there will be other vacancies for Parent Governors later in this academic year.

In the first instance, please contact me at:

Following our discussions and should you still wish to proceed, your application should be emailed in to school for the attention of Miss Marriott, Clerk to the Governors at [marriotts@stbridgets.wirral.sch.uk](mailto:marriotts@stbridgets.wirral.sch.uk)

**before 3.30pm on Monday 2nd November 2020**
