

St Bridget's C of E Primary School

KEY STAGE 1 PARENTS QUESTIONNAIRE RESULTS CURRICULUM EVENING 2017

This feedback form was aimed at Key Stage 1 parents as a way of capturing their thoughts on their and their child's experience at St Bridget's.

Question Asked	Answered Yes	Answered No
Was the evening informative?	100%	0%
Do you have a better understanding of the curriculum of your child's year group?	100%	0%
Do you have a better understanding of how to support your child's learning this year?	100%	0%
Any other comments		
Very useful, thank you.		
Very informative and well presented. Thank you to the teachers for their time.		
Really useful evening and loved the passion and enthusiasm from the year 2 teachers! Thank you :)		
Even more information, and communication, throughout the school year, would be good.		
Lots of detail, perhaps a little much. Appreciate the effort to include parents, but not sure the parent participation bits were that welcome!		
Really informative session, thank you!		
Very informative and interesting evening learning about what is to be expected from year 2. Really found the SATS info usual and hope will continue with a good rapport throughout rest of term. Excellent work so far from both parties!		
I thought the evening was really well put together and presented really well. It's absolutely brilliant that you spend the time to do this. It's definitely helped me as I do quite a lot of work with my child and now I can make it more interesting and useful.		
The year 1 team has some great members and seems cohesive. Great presentation - very natural and well laid out/planned.		
I have a further understanding of the expectation of my child at school, and how to support that at home.		
Very clear. Covered all areas of maths and writing and reading with good tips to work alongside at home. Heavy focus on these areas but obviously it's the most challenging and important at this time.		
I have a child in year one and in year 2 so it was not helpful to have them on the same night. I would like some website suggestions for parents to learn grammar and to learn about Singapore maths please		
I think it would be nice to end with, 'any questions?'...otherwise I thought it was a great presentation. The teachers' passion and enthusiasm for teaching shone through.		
Very informative evening, thank you		
Great to learn how I can better support my child in his learning
