"Love your neighbour as yourself."

Luke 10:27

12/12/22

Dear Parents/Carers,

Over the last few weeks we have helped the children think about how they can prepare for Christmas. The theme within our school has been to show more kindness. This can be seen from helping with simple jobs, being thoughtful or being more patient with each other at this busy time. It was great to see the joy on the children's faces when we supported Claire House with our Christmas Hat day or when we supported the Charles Thompson Mission with our toy donations. Our children know they have helped to make a difference to families in different parts of the Wirral.

Sleepout Challenge 2022

Later this week, some staff will be raising money by sleeping outside for the Church Urban Fund, who support those people who are homeless at this time of the year. Please use this link if you are able to support our Sleepout Challenge - [Link for Sleepout Challenge](#)

School Questionnaire

Our response to the school questionnaire has been extended and I would invite as many parents as possible to fill in our questionnaire which will inform our school improvement. **Thank you for your time. Please use this [link](#) for the Parental Questionnaire 2022.**

Accidents in School

For the last year we have used an online medical tracker to inform parents when there has been a minor injury at school. If you receive one of these emails it is just to let you know that there has been a minor injury. Please be reassured if there was any significant or a more serious injury we would always contact you immediately and would never leave it just to email.
