# CRC

## Convention for the Rights of the Child

The CRC is a comprehensive human rights treaty that enshrines specific children's rights in international law.

# So what do we mean by rights?

Our rights are things we **need**.

To work out what our rights are....think  
about what we **need** to live a healthy,  
happy life.

# Rights Respecting School

What does the **Respecting** part mean?

'to care about the feelings, wishes, or rights  
of others'

If we care about each other's  
rights, we have to look after  
them...

With every right comes a  
**responsibility.**

think of it like a 'right'

# Every Child Has Rights

*verse 1*

Every child has a right to dignity, life and liberty,

Justice in the law

Every child has a right to company, friends and family

With no fear of war

To every child their own identity, nationality,

Time to rest and play

To every child of each ability, each necessity,

Growing from day to day

## *Chorus 1*

Children have the right to be healthy,  
to go to school and learn,  
And say their prayers in their own religion's words  
Anytime and anywhere around the big wide world,  
These are the rights of every boy and girl

## *Verse 2*

Every child has a right to safety, free from slavery,  
Somewhere to call a home,  
Every child has a right to security, confidentiality,  
Language of their own,  
To every child responsibility, sensitivity,  
To all the people of the Earth,  
To every child their individuality in diversity,  
Knowing each other's worth

## *Chorus 2*

Children have the right to speak  
and have their voices heard,

What's best for them should be the main concern,

Anytime and anywhere around the big wide world

These are the rights of every boy and girl,

These are the rights of every boy and girl,

Yes, these are the rights of every boy and girl
