"Love your neighbour as yourself."

Luke 10:27

30-4-21

Dear Parents/Carers,

For the last two weeks I have reintroduced the children to our behaviour approach using the work published by Paul Dix. We had started to introduce these ideas and concepts prior to the first lockdown, but we never had the chance to fully implement them with both staff and children. We will continue to reference these in our conversations with children. In brief, we can summarise our three rules for behaviour in school as:

- Be ready
- Be safe
- Be respectful

Personal, Social, Health and Economic Education (PSHE) Policy

In line with Government guidance our PSHE policy and overview has been reviewed and updated. Please use the link to read the policy and provide feedback using the Google Form which has seven short questions. The form will be open to collect feedback for the next two weeks. [Policy and feedback link](#)

Parent Meetings and Reports

Our successful return back to school has now allowed us to focus on some of the more "normal" parts of the school calendar. With that in mind parents meetings will be held during the week commencing Monday 28th June and will follow a similar format to meetings held in the Autumn term. More information will be sent out after half term. Reports will be written before these meetings and will be used as a reference point to discuss your child's progress and learning.

11+ for current Year 5 pupils

The leaflets about registering for the selective assessments arrived in school and were distributed this week. These leaflets contain all of the information required to register your child for the selective tests. Registration opens online on 1st May for parents to complete and the deadline May 31st. The local Authority are updating their PowerPoint and as soon as I have this I will post this on the website.

Enjoy the bank holiday,

Neil Le Feuvre
